Cyprus – oasis of paradise between three continents

Feeling tired of the polluted environment, stress, fatigue and problems? You instantly realise you have been working hard and now you deserve some inspiration, positive energy and life enjoyment? Just visit Cyprus, and this place will become your home.

Cyprus is fortunate to have one of the most agreeable climates in Europe, offering 11 months of enjoyable warm sunshine. Swimming in the clear Mediterranean Sea creates a refreshing luxury in the hot summer months, and the non-existence of winter as such gives the previously unfelt sense of year-round comfort and relaxation.

Cyprus is the moment of life when you discover a new meaning and a new dimension of reality. Having come to Cyprus for the first time and having experienced the magic of this mythical resort, you begin to realize that you want to come back and stay here forever.

Along with the comfortable lifestyle, Cyprus offers the lowest taxes in Europe, and the foreign buyers of property on the island can receive residence permits and even European citizenship.
