## INTRODUCTION

Limassol is the second largest urban area in Cyprus, located on the southern coast, with an urban population of 160,000 — 176,700. Limassol provides mountain and seafront living offering the perfect destination to suit each person. A long stretch coastline with crystal blue clear waters with golden sand will provide an endless living lifestyle that you call home.

Limassol was built between two ancient cities — Amathus and Kourion — and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus. The history of Limassol is largely associated with the Third Crusade of Richard the Lionheart, who arrived in Limassol in 1191 on his way to the Holy Land. He arrested the renegade Byzantine Greek governor of Cyprus Limassol, Isaac Komnenos, taking over the entire island, and bringing the long Byzantine dominion of Cyprus to an end. Richard also celebrated his marriage with Berengaria who had received the crown as queen of England in Limassol. Richard destroyed Amathus and the inhabitants were transferred to Limassol.

Limassol has a Subtropical-Mediterranean climate with warm to hot and dry summers and very mild winters, which are separated by short springs and autumns with blue skies which are generally warm and pleasant.

LIMASSOL COMBINES THE FAST PACE  
OF A CITY AND THE COMFORT OF A FIRST-CLASS  
MEDITERRANEAN RESORT

## LOCATION

The project is located in a quiet prestigious neighbourhood of the city centre within a walking distance to the sandy Olympion beach, Limassol Marina, Old Town with the medieval Limassol castle, Cyprus University of Technology, Anaxartisia shopping street and Molos promenade, which is one of the most popular places for family fun.

The Limassol Marina is a landmark for Cyprus and this place has already been named as one of the most attractive and outstanding projects in Europe. The Limassol Marina is considered to be amongst the most significant and expensive marinas in the wider Mediterranean area and the Middle East. It combines a full service marina with an enticing mix of restaurants and shops. Located in the heart of a vibrant Limassol city marina provides a unique retreat complete with a spa and fitness club, leisure and cultural facilities. In addition, The Limassol Marina can accommodate 650 yachts from 8m to 110m.

The Limassol Molos Park is also a pleasant place to visit when you love or appreciate art combined with beautiful sea views and a walk through green grass, trees and fountains. Currently the park has undergone a reconstruction to offer modern surroundings, well — catered gardens and piers. There is also a modern children's playground and cafeterias.

Another big point of interest in this area is the main shopping street of the city called Anaxartisia. Anaxartisia Street, formerly known as Macedonias, hosts international franchise stores, well known designer brands, local shops, cafes and snack bars. Here you'll find many clothing stores, footwear and accessories.

Buying property in Cyprus allows the buyer to obtain a permanent residence permit. We offer an "A to Z" service for non-EU citizens seeking residency in Cyprus by means of buying a property.

To be granted a life-long (permanent) residence permit in Cyprus, the applicant needs to purchase a new property or two new properties from the same developer with a total price of 300 000 Euros excluding the VAT. At the time of submission of the application, 200 000 Euros (excluding the VAT) must be transferred in settlement of the property and the contract of sale must be registered at the Lands office. The issuance of Cyprus permanent residence permits takes about 2 months and covers all family members, including financially dependent children under 25 years old.
