• introduction

Limassol combines the fast pace of a city and the comfort of a first-class mediterranean resort

Limassol is the second largest urban area in Cyprus, located on the southern coast, with an urban population of 160,000 – 176,700.

Limassol was built between two ancient cities – Amathus and Kourion – and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus.

The history of Limassol is largely associated with the Third Crusade of Richard the Lionheart, who arrived in Limassol in 1191 on his way to the Holy Land. He arrested the renegade Byzantine Greek governor of Cyprus Limassol, Isaac Komnenos, taking over the entire island, and bringing the long Byzantine dominion of Cyprus to an end. Richard also celebrated his marriage with Berengaria who had received the crown as queen of England in Limassol. Richard destroyed Amathus and the inhabitants were transferred to Limassol.

Limassol has a Subtropical-Mediterranean climate with warm to hot and dry summers as well as very mild winters, separated by short springs and autumns which are generally pleasant.

immigration opportunities

Fast track Cyprus Permanent Residence by investment

The Cyprus Permanent Residency Program (PRP) grants the right to travel within the EU with less elaborate visa requirements and obtain Cyprus citizenship

1. Major advantages

- Issued within 4 months
- Life-long validity without need for renewal
- Granted to all direct family members of the applicant, including spouse and children under 25 years old
- No residency requirements other than to visit Cyprus once every two years
- Allows to have a business in Cyprus and receive shareholder dividends

2. Main terms & conditions

The applicant must proceed with an investment of min €300.000 + VAT in one of the following categories:

A. Investment in house/apartment of at least €300.000 + VAT from a land development company and should be the first purchase, therefore it will bear VAT. Note that the applicant may purchase up to two (2) units (apartments or houses), that are sold by land development companies (not necessarily from the same developer) for the first time.

B. Investment in other types of properties (excluding houses/apartments): such as offices, stores, hotels, or a combination of such for a total of €300.000. These types of properties can be resale.

- **Note 1:** If the investor sells or in any way, parts with his investment without its immediate replacement with another investment of the same or higher value (provided that this investment also fulfills the requirement above) then a procedure for removal of the Permit will commence.

- **Note 2:** At the time of submission of the application, €300.000 (excluding the VAT) must be transferred in settlement of the property and the contract of sale must be registered at the Land Registry Office.

- **Note 3:** Evidence must be provided that funds are coming from abroad and are not the product of internal lending (i.e. from CY bank). If the applicant invests in a residential property, his income must be entirely from abroad. If the applicant chooses to invest in 2(B), his total income or part of it may also arise from sources originating from activities within the Republic, provided that it is taxable in the Republic.
