Just a few miles away are enchanting places of interest such as Byzantine churches and monasteries, archaeological sites and charming villages. The uniqueness of such a combination makes the capital of Cyprus a place worth knowing and certainly a place worth living. Nicosia is the base for the Government head offices, Diplomatic headquarters and Cyprus' major universities.

PERMANENT RESIDENCE PERMIT

UNIQUE CYPRUS PERMANENT RESIDENCY FOR PROPERTY BUYERS

Life-long validity

For all family members inc. children and parents

Possibility to own a business in Cyprus

The Cyprus Permanent Residence Program (PRP) grants the right to travel within the EU with less elaborate visa requirements and may be the first step towards a successful application for the Cyprus Investment Programme. We offer an "A to Z" service for non-EU citizens seeking residency in Cyprus by means of buying a property.

To be granted a life-long (permanent) residence permit in Cyprus, the applicant needs to purchase a new residential property or two new properties from the same property development company at a total price of 300 000 Euros excluding VAT. At the time of submission of the application, 200 000 Euros (excluding VAT) must be transferred in settlements of the property and the contract of sale must be registered at the Lands Office. The issuance of the Permanent Residence Permit takes approximately 2 months from the day of submission of all relevant documentation and covers all family members, including financial dependent children under 25 years old. A Cyprus Permanent Residence Permit allows the holder to stay in Cyprus all year round.
