## INTRODUCTION

Limassol is the second largest urban area in Cyprus, located on the southern coast, with an urban population of 160,000 — 176,700. Limassol was built between two ancient cities — Amathus and Kourion — and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus.

The history of Limassol is largely associated with the Third Crusade of Richard the Lionheart, who arrived in Limassol in 1191 on his way to the Holy Land. He arrested the renegade Byzantine Greek governor of Cyprus Limassol, Isaac Komnenos, taking over the entire island, and bringing the long Byzantine dominion of Cyprus to an end. Richard also celebrated his marriage with Berengaria who had received the crown as queen of England in Limassol. Richard destroyed Amathus and the inhabitants were transferred to Limassol.

Limassol has a Subtropical-Mediterranean climate with warm to hot and dry summers and very mild winters, which are separated by short springs and autumns which are generally warm and pleasant.

## PERMANENT RESIDENCE PERMIT

### UNIQUE CYPRUS PERMANENT RESIDENCY FOR PROPERTY BUYERS

Life-long validity

For all family members inc. children and parents

Possibility to own a business in Cyprus

The Cyprus Permanent Residence Program (PRP) grants the right to travel within the EU with less elaborate visa requirements and may be the first step towards a successful application for the Cyprus Investment Programme. We offer an "A to Z" service for non-EU citizens seeking residency in Cyprus by means of buying a property.

To be granted a life-long (permanent) residence permit in Cyprus, the applicant needs to purchase a new residential property or two new properties from the same property development company at a total price of 300 000 Euros excluding VAT. At the time of submission of the application, 200 000 Euros (excluding VAT) must be transferred in settlements of the property and the contract of sale must be registered at the Lands Office. The issuance of the Permanent Residence Permit takes approximately 2 months from the day of submission of all relevant documentation and covers all family members, including financial dependent children under 25 years old. A Cyprus Permanent Residence Permit allows the holder to stay in Cyprus all year round.
